ITEM	2009 OCTOBER	\$ U.S.
MODEL MT90 (Range 6% - 16% with single red/green LED)	. . . . .	69
MODEL MT110 (Range 6% - 40% with dual red & green LEDs)	. . . . .	89
MODEL MT270 (Range 4% - 30% analog meter)	. . . . .	124
MODEL MT700 (Range 4% - 80% digital meter 1% readout)	. . . . .	177
MODEL MT808 (Range 4% - 100% digital microprocessor + species & temperature)	. . . . .	258
MODEL CMT-908 (Dual Mode pin-type/pinless microprocessor + species)	. . . . .	374
MODEL CT12 (Pinless, rotary dial, red/green LED, 4% - 24%)	. . . . .	124
MODEL CT33 (Pinless, analog meter, 0% - 30%, 1 inch depth sensing)	. . . . .	169
MODEL CT100 (Pinless digital, 0% - 30%, 1 inch depth sensing + species)	. . . . .	199
MODEL CT808 (Pinless digital microprocessor, 0% - 99%, species + thickness, 1 inch depth)	. . . . .	280
MODEL CT828 (CT808 plus Standard Remote Sensor on cable, 1.5 inch depth sensing)	. . . . .	390
MODEL CT858 (CT828 but Mini Remote Sensor on cable, plus lighted display & audible alarm)	. . . . .	488
MODEL GRP200 (Pinless digital meter for fiberglass & marine woods, 1.5 inch depth sensing)	. . . . .	339
MODEL GRP200S (Optional plug-in remote sensor for GRP200)	. . . . .	84
SMALL SOFT PADDED CASE For MT90, MT110, MT270, CT33, CT100	. . . . .	19
MEDIUM SOFT PADDED CASE For MT700, MT808, CT808, CMT-908, GRP200	. . . . .	28
LARGE SOFT PADDED CASE For CT828, CT858, GRP200 with GRP200S	. . . . .	38
HARD SHELL FOAM-FILLED CARRYING CASE For CT828, CT858, & GRP200 with GRP200S	. . . . .	59
CALIBRATION PLATE For Pinless Meters	. . . . .	14
REPLACEMENT PINS (Per Pair)	. . . . .	5
SHIPPING To 48 States:		
Canada Post Expedited parcel (typical ten business days transit time)	. . . . .	12
U.S. Postal Service ExpressPost (typical five business days transit time)	. . . . .	24
FEDERAL EXPRESS Priority (typical two business days transit time)	. . . . .	Call
SHIPPING: Offshore, Alaska, Hawaii, Puerto Rico, AFPO, etc.	. . . . .	Call or email

\*\*\* We accept personal and company checks in U.S. Dollars drawn on your local bank \*\*\*

All models are ready to use with owners manual and batteries.

**TO ORDER:** Mail enclosed order form with payment. For immediate shipping of in-stock items, use certified check, international money order, credit card (Visa, MasterCard). COD within Canada only.

**FASTEST SERVICE:** Phone or fax *Electrophysics* and use credit card. You can also use PayPal (contact us by phone, fax, or email to request an invoice for your purchase).

**FURTHER INFORMATION:** Please do not hesitate to contact us if you require further information or assistance in selecting the correct moisture meter for your application.

Visit [www.electrophysics.on.ca](http://www.electrophysics.on.ca) for return policy.
